LEGAL[®] EVOLUTION

EXPO & CONGRESS 2019

THE LEADING SOLUTIONS IN LAW

90 exhibitors Get to know the leading services and IT solutions along the entire legal service value chain. Experience the unique variety of products and services at the LEGAL[®]EVOLUTION. Get a quick and comprehensive overview of the modern legal and compliance market.

35 lectures Find out which consulting and business processes, techniques and business models are shaping the legal industry in 2019 and will shape it in 2020. We pack the legal innovation and legal tech world together into two revolutionary days.

15 workshops Create your own personal training programme to help you maintain your competitiveness! Negotiation, change management, legal design thinking, legal operations management and strategic legal department and law firm development - develop your professional skills together with your peers in a creative process and open atmosphere.

75 coachings Participate in individual and group coaching sessions involving structured discussions with coaches and develop solution approaches to leadership, transformation and communication issues.

5 panels The General Counsel Panel, the Justice Panel, the CCO Panel and the LEGAL[®]EVOLUTION Law Firm Panel have evolved into the leading panels for the digital transformation of law. They will reveal the fundamental connections between digitization and the legal compliance market.

The Legal World Café Using this new workshop method, set creative learning processes in motion in a relaxed café atmosphere at LEGAL[®]EVOLUTION and strengthen your communication and collaboration skills.

The networking platform for digital transformation At LEGAL[®]EVOLUTION, it's easy to establish and deepen important professional relationships. Meet other decision makers and shapers from legal and compliance departments, law firms, the judiciary, universities, business and politics at the event, bars and communal dinners of the LEGAL[®]EVOLUTION and at the Networking Dinner & Party!
